User stories

Feature 1: Commenting and rating system for articles

- As a registered user, I want to be able to rate the article to share my opinion with other readers.

  Acceptance criteria:
  - On the article page, there is a rating option on a scale of 1 to 5 stars.
  - User can rate an article once.
  - After casting the rating, the rating is visible to other users.
  - The article displays an average rating based on the ratings of all users.

- As a registered user, I want to be able to add a comment to the article to share my thoughts and comments.

  Acceptance criteria:
  - There is a "comment" field on the article page.
  - The "Comment" field accepts letters, numbers, special symbols and can contain up to 300 characters.
  - When you add a comment, it is visible on the article page.
  - User can edit his comment.
  - User can delete his comment.

- As a registered user, I want to be able to reply to other users' comments to participate in the discussion.

  Acceptance criteria:
  - A "Reply" option is available under each comment.
  - When you press "Reply", a box appears for you to add a reply.
  - The reply is visible under the comment to which the user replied.
  - User can edit his reply.
  - User can delete his answer.

Feature 2: Trend Indicator

- As an article writer, I want to have access to a trend indicator to tailor the content of my article to the current interests of readers.

Acceptance criteria:

- On the add article page, there is an option to select a topic category.
- On the edit page, there is an option to select a topic category.
- Category selection is required.
- Once the article is added, the author can see the trend indicator associated with the selected category.

● As a reader, I want to see a trend indicator next to each article to find out what topics are currently most popular.

Acceptance criteria:

- A trend indicator is displayed next to each article on the home page.
- In the list of articles, the trend indicator is displayed.
- The indicator is visible to all users.
- Clicking on the indicator takes you to articles with the same topic category.

● As an article writer, I want to have access to content recommendations to create more attractive articles.

Acceptance criteria:

- There is a "Show content recommendations" option on the article add page.
- On the article editing page, the "Show content recommendations" option is available.
- Once the article is saved, the author gets recommendations based on the article topic and trends.
- The recommendations are visible to the author on his articles page.
